**Mission Of The College:**

- Providing high education to increasing number of students.
- Diversifying the curriculum under affiliated system.
- Helping the students to obtain their graduation degrees.
- Introduction of add-on career oriented programmer of study.
- Supplement training with teaching to increase employability skill.
- To be accredited by NAAC.

### About The College:

**Balarampur College** is situated at the heart of a tribal belt in the southern part of Purulia and it is a co-educational institution.

- **It was established in the year 1985** (vide G.O. No. 1289 Edn. (Cs) dt.19.9.85) to impart education at Degree Level. It started Two- Year Degree Arts General Course from the Session 1985- 86 with the affiliation to the University of Burdwan. Since then the college has been running smoothly with nearly 2000 (two thousand) students. Since 2010, it has been running under **the S.K.B.University, Purulia**.
- Balarampur College has a friendly & stimulating environment for learning. It offers a good number of choices to the students of all streams. Now there are three streams-Arts, Science & Commerce with Honours and General Courses. At present 09 departments of the college have honours Course.
- The subjects with honours are Bengali, English, Hindi, Political Science, History, Philosophy, Mathematics, Physics, Accountancy, Chemistry, Zoology, Botany, ENVS and Sanskrit are present as pass subjects.
- The College is going on with object of upliftment of this backward area and betterment of students. In 2010, the College has been recognized under Section 2(f) and 12(B) of the U.G.C. Act, 1956. So, it has been receiving Central assistance in terms of the rules framed under Section 12(B) of the U.G.C. Act, 1956.
- Seminars, workshops and projects are organized by the departments to make the enrichment of the college spontaneously.
- The college has a rich library, containing multiple copies of text and reference books.
- From the session of 2017-18, **CBCS** has been adopted by the college.
- There are opportunities for the students to play games like football, cricket, table tennis, carrom, volleyball etc. In the field of sports many students have achieved commendable success.
- Many social and cultural programmes are organized by the college regularly
- The college has made a beginning in respect of career counseling and placement cell.

## Principal's Message

Education is always preparing for future. All the students must be given through education the tools to deal with the different tasks that they will need to perform in their lives. They must be helped to prepare themselves for their private lives, but equally be prepared to participate in economic, cultural and political life of their societies. Our college tries to provide quality education. Quality education should be regarded as a process of consumption, and also as a process of interaction between teachers and students. Our college offers courses that are monitored by highly qualified and experienced teachers. The admitted students will not only get the benefit of their guidance but will find coming years more regarding and will produce students with global outlook

## **DISCLAIMER**

The Handbook is only for the immediate information of students, and does not constitute a legal document. While all efforts have been made to make the information available in this handbook as authentic as possible, we are not responsible for any inadvertent error that may have crept into the document.

## **ADVICE TO STUDENTS**

Some of the programs/courses mentioned in the document may not be offered in any particular academic year/semester. We advise you to consult the Coordinator of the program at the beginning of every semester.

**CHOICE BASED CREDIT SYSTEM (CBCS)**

UGC Document ([http://collegesat.du.ac.in/UGC\\_credit\\_Guidelines.pdf](http://collegesat.du.ac.in/UGC_credit_Guidelines.pdf)) states:

The Indian Higher Education Institutions have been moving from the conventional annual system to semester system. Currently many of the institutions have already introduced the choice-based credit system. The semester system accelerated the teaching – learning process and enables vertical and horizontal mobility in learning. The credit-based semester system provides flexibility in designing curriculum and assigning credits based on the course content and hours of teaching. The choice-based credit system provides a 'cafeteria' type approach in which the students can take courses of their choice learn at their own space, undergo additional courses and acquire more than the required credits, and adopt interdisciplinary approach to learning. It is desirable the HEIs (Higher Educational Institutions) move to CBCS and implement the grading system.

**Advantages of the choice based credit system:**

([http://www.ugc.ac.in/pdfnews/4426331\\_Instructional-Template.pdf](http://www.ugc.ac.in/pdfnews/4426331_Instructional-Template.pdf) )

- Shift in focus from the teacher-centric to student-centric education.
- Student may undertake as many credits as they can cope with (without repeating all courses in a given semester if they fail in one/more courses).
- CBCS allows students to choose inter-disciplinary, intra-disciplinary courses, skill oriented papers (even from other disciplines according to their learning needs, interests and aptitude) and more flexibility for students.
  - CBCS makes education broad-based and at par with global standards. One can take credits by combining unique combinations. For example, Physics with Economics, Microbiology with Chemistry or Environment Science etc.
  - CBCS offers flexibility for students to study at different times and at different institutions to complete one course (ease mobility of students). Credits earned at one institution can be transferred to another institution.

**In B.A, B.Sc. &B.Com, there could be five types of courses:-**

1. Core Course(CC)
2. Generic Elective(GE)
3. Skill Enhancement Courses (SEC)
4. Discipline Specific Elective (DSE)
5. Ability Enhancement Compulsory Courses (AECC)

**Outlines of Choice Based Credit System:**

1. **Core Course** (14 for honours courses; 4 discipline specific papers each for regular courses and 2 papers each for English and Hindi/MIL in B.A./B.Com): The papers under this category are going to be taught uniformly across all universities with 30% deviation proposed in the draft. The purpose of fixing core papers is to ensure that all the institutions follow a minimum common curriculum so that each institution/university adheres to common minimum standard. Also the course designed for papers under this category aim to cover the basics that a student is expected to imbibe in that particular discipline. A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course.

2. **Elective Course:** Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.

**2.1 Discipline Specific Elective (DSE) Course** (4 for honours courses and 2 each for regular courses): Elective courses offered under the main discipline/subject of study are referred to as Discipline Specific Elective. The list provided under this category are suggestive in nature and each University has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope and need. The University/Institute may also offer discipline related Elective courses of interdisciplinary nature (to be offered by main discipline/subject of study).

**2.2 Generic Elective (GE) Course** (4 for honours courses and 2 each for B.A. /B.Com. regular courses): An elective course chosen from an unrelated discipline/subject, with an intention to seek exposure beyond discipline/s of choice is called a Generic Elective. The purpose of this category of papers is to offer the students the option to explore disciplines of interest beyond the choices they make in Core and Discipline Specific Elective papers. The list provided under this category are suggestive in nature and each University has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope and need. P.S.: A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as Generic Elective.

**3. Ability Enhancement Courses (AEC):** The Ability Enhancement (AE) Courses may be of two kinds: Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement Courses (SEC). "AECC" courses are the courses based upon the content that leads to Knowledge enhancement; i. Environmental Science and ii. English/Hindi/MIL Communication. These are mandatory for all disciplines. SEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc.

**3.1 Ability Enhancement Compulsory Courses (AECC):** Environmental Science, English Communication/Hindi Communication/MIL Communication.

**3.2 Skill Enhancement Courses (SEC)**(minimum 2 for honours courses and 4 for regular courses): These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge and should contain both theory and lab/hands-on/training/field work. The main purpose of these courses is to provide students life-skills in hands-on mode so as to increase their employability. The list provided under this category are suggestive in nature and each University has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope and need.

- **Eligibility**

Anyone who has passed the Intermediate or 10+2 examination or its equivalent is eligible for admission to the Program.

- **Duration of the course:** - Six Semesters.

## **BACHELOR DEGREE REQUIREMENTS**

Every Program has a list of courses in the core areas of study, which are called core courses, and a list of courses that are either related to the core or which introduce the student to another discipline. These are called elective courses. These elective courses could be discipline-specific or generic in nature. A part from these courses, there are skill-enhancement courses and ability-enhancement courses. The program Coordinator will announce at the beginning of every semester, the list of courses on offer. This information will be uploaded on the college website to enable students to register online.

## **ATTENDANCE**

Students are required to attend all lectures, tutorials, seminars etc. A student shall be deemed to have pursued a regular course of study provided that he/she has attended at least 75% of the classes held in each course and has completed all class/periodical/ continuous assessment/ session test, assignments, and practicals as prescribed by the Departments concerned.

## EVALUATION

The performance of a student on a Program will be on the basis of (i) continuous assessment and (ii) semester-end examinations.

Continuous assessment may comprise class test, assignments, presentations or response papers. No student shall be permitted to sit for the semester-end examination in a course for which she/he has received a fail grade (Grade F) in the internal assessment. Those who fail in the internal assessment shall be required to repeat the course as an ex-student.

Semester-end assessment may comprise sit-down/open book/take home examination, or term paper or long assignment/ project at the discretion of the teacher concerned.

The credit system is followed for all courses. For evaluating a student's performance, the following point grading scale is used.

## PROMOTION

### Promotion to the next Semester:-

- a) For promotion to the next semester, a student should not have a backlog of more than two Courses/ papers at the beginning of any given semester.
- b) Students who have more than two backlogs shall be required to clear backlogs as an ex-student in the maximum permissible period.

Backlogs may arise in the following cases:

- i. When a student has a shortfall of attendance and is hence not permitted to take the semester end examination.
- ii. When a student fails in both the semester end examination and the supplementary examination(s) in the same course.
- iii. When a student gets an overall F Grade (Fail Grade) in the Internal Assessment and is hence not permitted to take the semester end examination.

## **RULES OF DISCIPLINE AND PROER CONDUCT**

The rules listed here shall apply to all students of the college. Any breach of discipline and conduct committed by a student inside or outside the Campus shall fall under the purview of these rules.

### **Categories of misconduct and indiscipline:-**

- All acts of violence and forms of coercion such as gheraos, dharnas, sit-ins which disrupt the normal academic and administrative functioning of the college.
- Sexual harassment
- Committing forgery, defacing/destroying books/ journal of the library etc.
- Furnishing false certificates or false information
- Eve-teasing or disrespectful behavior with a girl student
- Arousing communal, caste or regional feelings or disharmony among students
- Use of abusive, defamatory, derogatory language
- Pasting of posters of an objectionable nature
- Unauthorized occupation of the hostel room's
- Indulging in acts of gambling
- Consuming or possessing dangerous drugs
- Non-payment of fees and other dues including mess charges
- Ragging in any form
- Refusal to obey the directions of the college
- Unauthorized collection of funds for any student's programme
- Any other act which may be considered by the Principal as a violation of discipline or misconduct

## **PUNISHMENTS**

The Competent Authority may impose punishment on any student found guilty of any of the acts of indiscipline or misconduct mentioned above.

### **Anti -Ragging Committee**

Any form of ragging within the premises of the college will be viewed seriously and dealt with swiftly and severely by the Administration. Anti-Ragging Committee will be empowered to take upon receiving a complaint. As per the directions of the Supreme Court of India, " if any incident of ragging comes to the notice of the authority, the concerned students shall be given liberty to explain and if his explanation is not found satisfactory, the authority would expel him from the college.

### **Anti-Sexual Harassment and Redressal Mechanism**

The college has evolved a policy against sexual harassment to create for women students on its Campuses a gender – just and secure environment has a Complaints Committee, with representatives from all sections of the college, to take care of the complaints of women students in this regard, with the names, addresses and phone numbers of the members displayed in all prominent places in the Campus. The complaints will be kept confidential and the Committee has the power to recommend severe actions(s) against the perpetrator. The Committee also takes upon itself the task of organizing various gender sensitization programmes.

### **Removal of Students from the Courses**

The Departmental Heads may recommend to the Principal for the removal of a student from a Programme/ Course on the basis of unsatisfactory academic performance and / or misconduct (as defined in the Regulations) / or non-payment of fees on time.

### **GRIEVANCE REDRESSAL MECHANISM**

All grievances within the college will be resolved through discussions and negotiations and through a Grievance-Redressal Mechanism. The following are some of them:

- Individual grievances may be referred to teachers in each Department who will be appointed staff advisers.
- Group grievances may be resolved within the Department.
- Miscellaneous grievances pertaining to Academic /Library / Finance / Sports etc. will be resolved by the Committee concerned.
